- 1. The petition filed under 37 C.F.R. 1.181 on 9/27/07 asking for Supervisory Review of the Examiner's Advisory Action mailed 8/24/07, has been delegated by the Group Director to the Examiner of record in this application to be treated as a request for reconsideration. The reason for this delegation is that the points raised in the petition are agreed with and the relief requested will be granted in full.
- 2. The Petition filed 9/27/07 is treated as a request for consideration to the Examiner in accordance with 37 C.F.R. 1.181(c).
- 3. As noted by the applicants, 37 C.F.R. 1.173 requires that "(f)or any claim changed by the amendment paper, a parenthetical expression 'amended,' 'twice amended,' etc should follow the claim number." Since no claims were amended in the amendment paper filed 7/30/07 (see Applicants' remarks page 34 under the heading "Amendment of the Claims"), there was no requirement for the use of status indicators of claims 22, 25-28, 30-36, 38-43, 45-54, 57 and 59. Thus, in accordance with the applicants' Relief Requested, the Examiner's statement regarding "the status of the claims is improperly provided . . . are missing" is withdrawn.
- 4. The time period for response continues to run in accordance with the previously set time period and is not extended by this response.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory C. Issing whose telephone number is (571)-272-6973.

The examiner can normally be reached on Monday - Thursday 6:00 AM- 4:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Tarcza can be reached on (571)-272-6979. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
